## POINTS OF INTEREST:

**MetLife Foundation Award – Brownfields Grant, Environmental Sciences Program**

Awarded the MetLife Foundation Community College Excellence Award for “Service to Communities,” Clover Park Technical College has been recognized on both state and national levels. This prestigious honor acknowledges the important work of the Brownfields Job Training Grant of the College’s Environmental Sciences Program and the successful collaboration with several community partners: the City of Tacoma, Metropolitan Development Council, and WorkForce Central.

**Completion Achievement**

There have been dramatic increases in the number of Clover Park Technical College students receiving awards of degrees, certificates, and high school awards, which is consistent with the nation’s two-year colleges’ completion achievement targets.

**Aviation Programs**

Clover Park Technical College is a leader in the aerospace field, both nationally and internationally, with programs such as professional pilot training, aviation maintenance technology, and the leading-edge field of composites. CPTC is working hard, together with industry partners, to fill the workforce needs of the aviation-related businesses of the state of Washington and beyond.
