CTC Student Engagement Questions
October 1, 2020 3:00-5:00pm Task Force CTC Counselors

1. Do you know what counseling services are available at your college and how easy it is to access them?

2. Do you have any ideas about how your college can make counseling services more inclusive — so that students from all backgrounds are encouraged to use them?

3. Is there anything else we should consider as we strive to improve the ability of our colleges to meet the mental health, educational, and career counseling needs of our students?
