Questions for CTC students at October Task Force Meeting

1. What do you see as your individual school's challenges around counseling/mental health?

2. What services do you envision that would help make campuses inclusive across all CTC schools?

3. If you could make one change in counseling/mental health on your campus for students, what would that be?

4. Is there anything else we should consider as we better strive to meet the Mental Health needs of our students?
