INTRODUCTION

BACKGROUND

Washington State’s Association for College Trustees (ACT) Education Committee made new trustee orientation a priority in 2019.

A subcommittee was formed (see below for a list of members). Members interviewed college presidents, board chairs, and trustees with 3 or fewer years of service in all 34 districts to determine how their trustee onboarding experience is successful and what needs improvement.

Based on that feedback, it was decided to create a “roadmap” to guide new trustees’ learning in their first days, months, and years of service.

INTENT

We believe colleges should continue to own their onboarding process. The Roadmap is intended to be a resource to organize and support that effort. It contains a “superset” of topics and information. Each college will decide what is relevant and how and when it will be used. It is our hope that, with the support of the Roadmap, new trustees will be functioning effectively and comfortably within a year.

DESCRIPTION AND ORGANIZATION

The Roadmap is organized as a “digital binder”. Each tab represents a section. Information is organized by subject area. A recommended timeframe for covering a particular topic is provided. You may view the contents by subject area, or you may view it by timing. Recommended “leads” for covering the topic with new trustees are also provided.

The first five sections are the most robust. Additional sections will be developed in the future. They are included for context but are currently considered “Under Construction”. There is a Table of Contents with links to the tabs. Predefined print fields are provided for ease of use.

HOW TO USE

The outline format can be viewed at the Topic or Subtopic level. Colleges can use it as a prompt for topics to cover with their new trustees. Suggested resources are provided for some topics; colleges can use these or others they deem better or more relevant. What is covered, when, how, and by whom are the decision of each individual college – the Roadmap is intended to be a resource in your onboarding process.

YOUR FEEDBACK NEEDED AND WELCOME

Please let us know how the Roadmap works for you. We want to hear from presidents, board chairs and new trustees themselves. We will appreciate your suggestions of resources and additional topics to make the Roadmap as useful as possible.
