*Although WABERS+ Refresher is not required it is strongly recommended that WABERS+ staff attend to keep up on all reporting requirements. Any new WABERS+ staff are required to be trained.

** Directors are required to attend one of the NRS and DPI training sessions offered.

***Colleges must maintain two Cadre members while CBOs and Corrections Education programs may retain one or two depending on their size and need. A director of any program may also be trained as a Cadre member and serve in that capacity. If your organization needs additional CASAS Cadre, please contact BEdA.

**** NRS training for new deans and directors can be scheduled for one provider or small groups as needed.
