Highline College highline.edu	Highline does not have deadlines for general admissions.	Some special programs have specific admission procedures and limited space; therefore, admission to the college does not guarantee availability of all programs and courses. Special programs include seven applied bachelor's degrees, high school completion (including Running Start) and Registered Nursing. Check the specific program admission page for details and deadlines.	\$0	At Highline, placement occurs using a variety of methods, including testing, self-assessment, high school transcripts and scores, other college transcripts, GED® scores and more. We encourage students to work with our Placement & Testing Center staff.	\$0	For general admissions, there are no requirements. A limited number of programs require additional credentials. Check the specific program admission page for details.	Highline has eliminated the Financial Aid deadline for 2022-23 and replaced it with a first-come, first-served system. However, students are responsible for ensuring they begin the process for aid at least 120 days before the quarter they wish to attend.	Housing is available through a public-private partnership. For details, visit highline.edu/campusview
