Budget & Invoicing Guidance

Budget Categories

The following is an overview of each budget category that can be used for the Able-Bodied Adults without Dependents (ABAWD) program. This grant is intended to support an ABAWD Navigator position and associated goods and services and travel.

Salaries, Wages, and Benefits

In your budget narrative include the title and percent of effort/FTE/hourly wage information, and a brief description of duties by position as they relate to ABAWD if the duties are different than what are described below or in the 2019-20 ABAWD Navigation Funds grant guidelines.

See program guidelines for a list of duties.

Goods and Services

Goods and Services to be used by the ABAWD Navigator.

Examples: office supplies, assessment materials, printing, telephone, postage, copying and fax, equipment (less than an individual acquisition cost of \$5,000 or a useful life of less than one year), utilities, copy machine rentals/leases, and interagency agreements (contracts between two or more public entities).

The cost of any items purchased that will not be used exclusively for this grant must be split among other funding sources.

Non-consumable items purchased shall remain in the property of the grant recipient and are subject to the "Purchased Items" terms in this document.

Funds may not be used to acquire equipment (including computer software) that results in a direct financial benefit to any organization representing the interest of the acquiring entity or its employees or any affiliate of such an organization.

Travel

Expenditures for transportation, meals, hotel, and other expenses associated with traveling related to allowable grant activities. Reimbursement for travel costs must be within OFM travel rates and regulations which can be found in the State Administrative and Accounting Manual (SAAM), Chapter 10.90. Please note, when the grant recipient reimburses travel under this grant using state funds, the same OFM travel rates and regulations must be applied.

Example: Travel to annual ABAWD training forum, travel to professional development, travel to meet participants at locations outside of main campus area

Indirect

To cover such costs as operation, maintenance, library, and student administration expenses that cannot be clearly allocated to an individual program.

To calculate the indirect amount, take the salary and wages from each budget activity and multiply that amount by 5%. This is the maximum amount that can be budgeted for indirect.

Indirect may be budgeted at no more than 5% of the salaries budgeted. Indirect charges must be based on actual salary expenses. The allowable variance of 10% per budget cell does not apply to the amount budgeted in the indirect budget cell.

Budget Revisions

SBCTC approval of a revised budget is required if there is more than a 10% variation in expenditure levels for any individual budget cell. Indirect costs cannot exceed the amount budgeted.

Budget revisions must be submitted to SBCTC via the Online Budget & Invoicing System (OBIS).

Final budget revision deadline: September 15, 2020

See the OBIS user manual (available in the Resources section of OBIS) for information on how to create and submit a budget revision. Be sure to update budget narrative answers as applicable.

Expenditure Accounting

These funds must be kept in an account separate from all other funding sources.

For colleges these funds must be accounted for as state (fund 001) or as grant and contract (fund 145) along with any student enrollments generated with these funds. SBCTC reimbursement for this grant must be coded to object SX (611100 for colleges in ctcLink).

To ensure compliance with grant requirements and to ensure that financial records support program expenditures, SBCTC staff will schedule on-site visits.

Program income is not allowed.

Public Announcements, Disclosure of Federal Funding

When issuing statements, press releases, or other documents describing this project, the grant recipient shall clearly state:

- 3. The percentage and dollar amount of the total costs of the project financed by non-governmental sources.

Records Retention

Financial management systems shall reflect accurate, current, and complete disclosure of all cost expenses for grant activities. Grant recipients must maintain books and records, supported by source documentation, that sufficiently and properly reflect the source of funds and all costs expended for program purposes. These records and financial statements are subject to inspection, review, reproduction, and/or audit by SBCTC or its designee for at least six years after the dispersal of funds, the termination or expiration of the contract, or the resolution of litigation or audits related to the program, whichever is latest. Additional information on records retention may be found in Chapter 7 of the <u>SBCTC Policy Manual</u>.

Supplanting

Federal grant funds must supplement and not supplant state or local public funds of the agency. Federal funds may not result in a decrease in state or local funding that would have been available to conduct the activity had federal funds not been received. In other words, federal funds may not free up state or local dollars for other purposes but should create or augment programs to an extent not possible without federal funds.

Termination

This grant may be terminated by the SBCTC upon giving notice in writing to the grant recipient at least thirty (30) days in advance of the date of termination. If the grant is terminated for any reason, all reports and data gathered by grant recipient prior to termination shall at the option of the SBCTC, become the property of the SBCTC. If termination shall occur pursuant to this section, reimbursement to grant recipient shall be made on the basis of work performed prior to the effective date of termination as mutually agreed upon by both parties. Determination of final adjustments, either payments or refunds, shall also be mutually agreed upon by both parties.

Termination for Cause

If for any reason, the grant recipient violates any terms and conditions of the Adult Basic Education program, SBCTC will give the grant recipient notice of such failure or violation. Grant recipient will be given the opportunity to correct the violation or failure within thirty (30) days. If failure or violation is not corrected, this grant may be terminated immediately by written notice from SBCTC.

Savings

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this contract and prior to normal completion, the SBCTC may terminate the grant under the "Termination" clause, without the thirty-day notice requirement, subject to renegotiation at the SBCTC's discretion under those new funding limitations and conditions.
