

2025-26 Supporting Students Experiencing Homelessness Program Assurances

The college must submit a completed, signed copy of this document with its 2025-26 Supporting College Students Experiencing Homelessness Budget Form to lcoghlan@sbctc.edu

By the signatures placed below, the College agrees:

- To provide housing supports, resource information, and connect students with housing and other community providers when appropriate.
- To submit quarterly and year-end reports in accordance with SSEH Program Guidelines.
- To engage in ongoing formative program assessment to inform local practice and identify promising approaches.
- To contribute to the development of the annual legislative report by collecting prevalence of housing and/or food insecurity of enrolled students; sharing strategies to accommodate students experiencing homelessness, food insecurity, and former foster youth; and contributing to collective legislative recommendations by August 31, 2026.
- To participate in legislative information sessions and hearings as appropriate.
- To designate a single point of contact, a project manager, to work closely with the SBCTC and respond to meeting requests and other program inquiries.
- To have the project manager participate in practice-sharing convenings and information sessions. Project Champions and other supportive staff are encouraged to attend.
- To comply with all applicable federal and state requirements, the 2025-26 Supporting College Students Experiencing Homelessness Program Guidelines, and all applicable local policies and requirements.
