

# 2026-27 Workforce Development, High Demand Enrollment, and Invest in Washington Funds Assurances

This assurances page must be signed and uploaded in OGMS as part of the funding application. A signed copy must be kept on file at the educational institution.

## It is assured and understood that:

1. In its performance of work, the recipient shall be an independent entity and not an employee or agent of SBCTC.
2. Workforce Development, High Demand Enrollment, and Invest in Washington Funds are provided solely to support one-time projects that are necessary to meet changing needs and expectations of industry and/or prospective students, or to support local workforce and economic development initiatives.
3. Applicable college staff have read and will abide by the 2026-27 Workforce Development Fund, High Demand Enrollment, and Invest in Washington Program Guidelines, as well as all applicable federal, state, and local policies and requirements.
4. Workforce Development, High Demand Enrollment, and Invest in Washington Funds will not be used to replace (supplant) federal funds.
5. Any materials developed with Workforce Development, High Demand Enrollment, and Invest in Washington funding shall be considered the property of the state of Washington and shall be available to other educational institutions, at no cost, upon request. It is the intent that resources developed with these funds be shared across the state to ensure the maximization of the funding invested. All digital software, educational resources, and knowledge produced as part of this competitive funding must be placed under the Attribution license from Creative Commons. This license allows others to use, distribute, and create derivative works based upon the digital works, while still allowing authors to receive credit for their efforts
6. Colleges that accept funding through any of these programs agree to provide complete and timely program and fiscal reports as outlined in the program guidelines. Colleges may be required to report itemized disclosure of fund utilization to facilitate the determination of whether funds were utilized in compliance with allowable expenses and in alignment with programmatic intent and allowable uses, as outlined in the program guidelines.

## Certificate of Assurance

**THE APPLICANT AGREES** to adhere to the conditions and deliverable requirements outlined above and in the program guidelines.

**FURTHERMORE**, the applicant agrees to comply with federal and state fiscal control procedures to (1) avoid the commingling of federal and state funds, and (2) provide necessary program and financial descriptive and statistical reports.

**FURTHERMORE**, should changes to the budget greater than 10% of any single budget line (category) be necessary during the project, the applicant agrees to request budget modifications by email to the SBCTC policy associate(s) listed at the front of the program guidelines, and understands that any

post-approval modifications to equipment lists during the fiscal year must be submitted to SBCTC via email for approval prior to purchase.

**FURTHERMORE**, the above applicant certifies that that information contained in this application is true and correct to the best of its knowledge, and that this application is consistent with the purposes outlined in the program guidelines.
