We are changing how we
do business online.

A new and improved student services portal will be available to you beginning **February 26**. Unlock the potential to:

- Register for classes
- Pay tuition and fees
- Add/drop/swap classes
- Get Financial Aid information
- Track graduation status
- Contact your instructor or advisor
- And much more

As of **February 26**, you must activate your account at ctlink.spokane.edu to access any student services software. You will need your current Student ID (SID), birthdate and first and last name.
