

MM2004 – Standard Message Table

Optional table for messages defined by colleges.

Use the Standard Message Table to identify standard message codes and corresponding messages or clauses to be displayed on Customer Accounts billing documents, for example, student statements, statements of account, invoices, and second notices.

User Function Keys

F1	REFRESH	Redisplays the screen. Any additions or changes you made since you last pressed Enter will disappear.
F2	ADD	Adds a new message code.
F3	CHANGE	Changes an existing message code.
F4	INQUIRY	Displays an existing message code.
F5	DELETE	Deletes an existing message code.
