

# **UPDATING TERM DATES IN LEGACY FMS FOR REFUNDING**

# Introduction

If spring quarter is delayed due to COVID-19, the calculation of refunds could be affected in FMS. Student refunds are calculated based on the quarter start and end dates on [SM5020](#). The percentage of student refunds are based on the refund section on [BM1001](#).

Please work with your registration department to ensure the new dates on SM5020 are in place and accurate.

## BM1001 – Refund Percentages

If the new start date falls on a different day of the week (Old day is Monday: New day is Wednesday), the refund section of [BM1001](#) will need to be adjusted to accommodate the change.
