

Overview and Version Release

Overview

The Employee Earnings History (EEH) is a Web-enabled application that allows an employee to view information about his or her payroll earnings history using the Web. After entering a valid employee ID and PIN number, an employee may view the following information:

- Earnings, deductions, and contributions associated with a given check
- Current year-to-date grosses and deduction balances
- Previous year-to-date grosses and deduction balances
- Leave balances for vacation, compensable sick leave, noncompensable sick leave, personal holiday, and compensatory time
