

PS9016 – Savings Bond Price Table

Required table for processing payroll deductions for the purchase of savings bonds. Maintained by SBCTC-ITD.

Use this screen to view the purchase prices and associated denomination amounts of U.S. savings bonds. This data is stored in the Bond Table (BOND-TBL-M) data set.

The protected functions on this screen are A (Add), C (Change), and D (Delete). To request that bond records be added, deleted, or changed, complete the Savings Bond Price Table (PS9016) Update Form (see Appendix D of the PPMS Control Tables manual for sample request forms).

To obtain a complete list of savings bond prices, run DataExpress procedure PS9016R (from the Group Inform and Account PLIB).
