

PS9045 – Employer Cost Table

Required table. Maintained by SBCTC-ITD.

Use this screen to identify employer cost type codes and their related titles. Employer cost type codes are used on the Employer Cost Distribution Override Screen (PS0019) to override the automatic distribution of employer-paid benefits.

The protected functions on this screen are A (Add), C (Change), and D (Delete). To request that an employer cost type code be added or deleted or its title changed, complete an Employer Cost Table (PS9045) Update Form (see Appendix D of the PPMS Control Tables manual for sample request forms).
