(Qualifying exigencies include attending certain military events, arranging for alternate childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, rest and recuperation, and attending post-deployment reintegration briefings. In addition, the College and the employee may agree that other events which arise out of the covered military member's active duty or call to active duty status qualify as an exigency, provided both agree to the timing and duration of the leave)

- B. Military Caregiver Leave will be provided to an eligible employee who is the spouse, child of any age, parent or next of kin of a covered service member to take up to twenty-six (26) workweeks of leave in a single twelve (12) month period to care for the covered service member or veteran who is suffering from a serious illness or injury incurred in the line of duty.

During the single twelve (12) month period during which Military Caregiver Leave is taken, the employee may only take a combined total of twenty-six (26) workweeks of leave for Military Caregiver Leave and leave taken for other FMLA qualifying reasons.

ARTICLE 7, Section 6 (continued)

The College may require an employee to exhaust all paid leave prior to using any leave without pay, except that the employee will be allowed to use eight hours a month of accrued leave during each month to provide for the continuation of benefits as provided for by the Public Employees Benefit Board. If an employee fails to return to work after the expiration of the family and medical leave, the College shall be allowed to charge the employee retroactively for the full premium cost of the health care coverage.

3. A personal convenience leave day may be used at the discretion of the employee. Personal convenience leave should not be used to extend vacation periods or holidays during the employee's work year, or be the first or last day of the employee's work year or first or last day of the College's students' instructional year without the approval of the appropriate administrator. The pool was also created to allow general government and higher education employees to voluntarily donate their leave to be used by any eligible employee who has been called to service in the uniformed services. GRIEVANCE PROCEDURES

Section 1 Purpose

The purpose of these procedures is to provide for the orderly and expeditious adjustments of grievances. As used in these grievance procedures, "grievance" means a claim of an employee alleging misinterpretation or inequitable application of provisions of the contract or specific provisions of policy, rules and/or regulations of the College. "Grievance" also means a claim of the Union alleging misinterpretation or inequitable application of the contract provisions provided in ARTICLE 5, UNION RIGHTS, and such grievance may be initiated at the STEP 3 level.

ARTICLE 12, Section 1 (continued)

The parties recognize the importance of prompt resolution of such employee problems at the level closest to the problem through informal discussions and resolution between those involved or, if necessary, with the assistance of a neutral party. In the interest of fairness to all parties involved, it is agreed that no reprisals shall be taken against persons involved in grievance proceedings. Procedures for handling grievances shall be of three types:

- A. Grievances alleging violations of this negotiated contact shall be processed using STEPs ONE, TWO, and FIVE as noted in Section 3. Utilization of STEP THREE is optional.
- B. Grievances regarding the interpretation and application of specific College policies, rules and/or regulations shall be processed using STEPs ONE, TWO, and FOUR as noted in Section 3. Utilization of STEP THREE is optional.
- C. Complaints regarding matters other than this contract or College policies and rules/regulations will be processed using only STEPs ONE and TWO as noted in Section 3.

Section 2 General Provisions

- A. Both parties encourage employees and supervisors to discuss and resolve concerns on an informal basis. If this cannot resolve the issue(s) the employee may proceed with the grievance or complaint.
- B. Right to Representation Union representatives have a right to be present for any meetings, hearings, appeals, or other proceedings relative to grievances which have been formally presented. Administrative meetings that do not include employee or employee witness contacts and which are purely of a management nature are not included in this provision.
- C. Freedom of Employee to Act Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter via administrative channels and to have the problem adjusted without the intervention of the Union; nor shall any clause contained herein be construed as limiting the right of any employee having the grievance to take appropriate action under any statutory guarantee or provision. However, the Union may be in attendance at these discussions. Any proposed disposition of the grievance shall be consistent with the terms of this contract. A grievant may be represented at all stages of the grievance procedure by himself/herself, or a person of his/her own choosing, or at his/her option, by Union representatives selected by the Union. If an aggrieved party chooses not to be represented by the Union, the Union, nevertheless, shall be given timely notice in order to have the opportunity to be present and to state its views prior to the final recommendation for resolution of the grievance.
- D. Prompt Action Grievances shall be processed as rapidly as possible; the number of days indicated at each step shall be considered as maximum and every effort shall be made to expedite the process. In initiating a grievance the grievant will present the grievance in writing on the appropriate grievance form to the immediate supervisor within fifteen (15) days after the employee knew or demonstrably should have known the action or inaction occurred.
- E. Time Limits
 - 1. Time limits may be extended or waived by mutual written consent. If the stipulated time limits are not met by the College, the grievance may proceed to the next step.
 - 2. If the stipulated time limits are not met by the grievant, the grievance shall be deemed dropped and will not be reviewed at any higher College administrative level.

ARTICLE 12, Section 2 (continued)

3. All days referred to shall be considered to be the aggrieved employee's scheduled working days, provided that any grievance (1) filed just prior to the end of the employee work year, or (2) filed after the end of the work year regarding a grievable matter which occurred prior to the end of the work year, or (3) filed after the end of the work year regarding a matter which occurred after the end of the work year, shall be processed counting days as Monday through Friday excluding holidays.
- F. Required Forms Grievances and their resolution must be filed on the appropriate forms which will be provided by the College.
- G. Class Action Grievances If a number of employees have the same grievance, their grievances may be consolidated for hearing and resolution purposes into a class action grievance for all involved upon the consent of the grievant, Union, and College.
- H. Requirements for Hearings Whenever possible, hearings will be scheduled during non-student contact time. If the hearing is scheduled during class contact time, the College will provide a substitute at College expense for the grievant, the observers, the representative of the Union and reasonably requested witnesses. Witnesses will be present only when testifying. Nothing below, with the exception of STEP FIVE, Binding Arbitration shall be considered to in any way prohibit, restrict or preclude the rights of parties to resort to legal adjudication for resolution of disputes. No new documentary evidence or witnesses will be introduced at the arbitration level hearing by the Union or the College unless made known to the grievant(s), the Union and the College at least three (3) days prior to the hearing and it is mutually agreed that they be introduced or either party is directed to do so by the arbitrator.
- I. Availability of Forms Upon request, a supply of forms shall be provided to the Union. Employees may obtain a grievance form from their supervisor, the Human Resource Development Department or the Union.
- J. As verified by a signed and dated form, the grievance shall be presented to the appropriate person for the step being used. The appropriate person at STEP ONE is the grievant's supervisor, and at STEPs TWO through FIVE it is the Executive Director of Human Resources. Should either of these people be unavailable, the grievance may be presented to another vice president or to Human Resources.
- K. The written grievance shall include the following:
 1. The nature of the grievance, including the specific date, time, and location that the alleged grievance occurred; a description of the events, action or in-action, which led to the grievance (this description is intended to summarize the events and is not intended to argue the merits of the grievance); and the names of all witnesses, if known;
 2. The sections of the contract or College rule/policy allegedly violated;
 3. The specific remedy sought.
- L. Allegations not introduced at STEP ONE shall not be admissible by the grievant at any subsequent step of the process being used. In an effort to resolve grievances at the earliest stage possible, the Union agrees to provide the College with any evidence and/or documentation it has in support of the grievance as soon as possible in the process or as it becomes demonstrably evident.
- M. The College President may designate another person to meet with the grievant and the Union at STEP TWO.

ARTICLE 12 (continued)

Section 3 Grievance Steps

A. STEP ONE: SUPERVISOR

1. The grievance will be presented in writing on Grievance Form I to the immediate supervisor within fifteen (15) days after the employee knew or demonstrably should have known that the action or inaction occurred. The grievance form will be signed and dated by the parties at the time of receipt by the immediate supervisor, and will identify the item(s) of the contract deemed violated and the specific resolution sought. One copy of Grievance Form I shall be retained by the grievant and the remaining copies distributed by the immediate supervisor as follows: the original to the immediate supervisor and one copy each to the Union and the College President or designee.

2. Within ten (10) days after receipt of Grievance Form I, the immediate supervisor will respond to the grievant in writing on Grievance Form II. Copies of his/her response shall be distributed by the immediate supervisor as follows: one copy each for the Union, the College President or designee, immediate supervisor, and the original to the grievant. If a grievance arose from or can only be resolved by a higher level of supervision, the immediate supervisor may, with the concurrence of the College President or designee, have his/her response prepared by the appropriate College supervisor. In these cases, the appropriate College supervisor may replace the immediate supervisor in any further proceedings.

B. STEP TWO: PRESIDENT

1. In the event the grievant is not satisfied with the disposition of the grievance at STEP ONE, he/she may within five (5) days of the receipt of Grievance Form II refer his/her written grievance on Grievance Form III to the College President or designee for resolution. One copy of Grievance Form III shall be kept by the grievant and the College President or designee shall distribute the remaining copies as follows: one each to the Union and the immediate supervisor.

2. The College President or designee shall schedule a meeting to take place within fifteen (15) days of acknowledged receipt of Grievance Form III. If the grievance involves a charge of discrimination, the College President may extend the timelines of this level up to ten (10) working days to allow the College Discrimination Compliance Officer time to make a separate investigation presenting the findings and recommendations to the College President or designee for consideration in the grievance hearing resolution at this level. The grievant and Union shall receive and acknowledge notification of said meeting at least five (5) days prior to the date of the meeting. Persons present at the College President or designee meeting may include only the following: the grievant(s), the immediate supervisor (or appropriate College supervisor), a representative each of the Union and the College, one observer each for the grievant and immediate supervisor, those witness(s) who will provide relevant testimony regarding the grievance issue and the person selected to hold the conference on behalf of the College President or designee. Witnesses will be present only while testifying, unless he or she is also included in the participant list above.

3. The College President or designee shall provide a written response and decision to the grievant within ten (10) days following the College President or designee meeting. Distribution by the College President or designee of the response shall be as follows: one copy each to the Union, immediate supervisor, and the original to the grievant.

ARTICLE 12, Section 3 (continued)

C. STEP THREE: NON-BINDING MEDIATION

Non-binding grievance mediation is an optional and voluntary part of the grievance resolution process. When grievance mediation is invoked, the contractual time limit for moving the grievance to arbitration shall be delayed for the period of mediation.

1. In the event the grievance is not resolved with the disposition of the grievance at STEP TWO, the grievant and the Union may mutually, within five (5) work days of the receipt of the College President's findings and recommendations, request mediation. If management agrees that the grievance is suitable for mediation, the parties shall submit a joint request to the Federal Mediation and Conciliation Service or the Public Employment Relations Commission for assignment of a mediator. Mediation shall be completed within thirty (30) working days of the submission of the joint request.
2. The mediation process shall be informal. Rules of evidence shall not apply and no record shall be made of the proceedings. Both sides shall be provided ample opportunity to present evidence and argument to support their case. The mediator may meet with the parties in joint session or in separate caucuses.
3. At the request of both parties, the mediator shall issue a recommendation for settlement. Either party may request the mediator to assess how an arbitrator might rule in this case.
4. The grievant shall be present at the grievance mediation proceedings. If the grievance is resolved, the grievant shall sign a statement agreeing to accept the outcome. Unless the parties agree otherwise, the outcome shall not be precedential.
5. If the grievance is not resolved and is subsequently moved to arbitration, such proceedings shall be *de novo*. Nothing said or done by the parties or the mediator during the grievance mediation with respect to their positions concerning resolution of offers of settlement may be used or referred to during arbitration.

D. STEP FOUR: HEARING OFFICER

In the event the employee is not satisfied with the disposition of the grievance at STEP TWO, he/she may within ten (10) days of the receipt of the President's findings and recommendations mutually with the Union, submit the grievance to a hearing officer for resolution within the following guidelines:

1. The Union and the College will each select a hearing officer within twenty (20) days of ratification of this contract. The two (2) hearing officers selected will choose a third officer to serve. The three (3) officers will constitute the hearing officer panel from which an officer will be drawn for a grievance hearing. In making their respective selections both the College and the Union and the officers they select will choose local, Renton area community persons who have exhibited an interest in community and/or school affairs. In the event the Union and the College selected officers cannot mutually select a third hearing officer within ten (10) days, the Union and the College will each submit three (3) additional names. All six (6) names shall be placed into a proper receptacle and one name shall be drawn by lot by the President.
2. The names of these selected hearing officers will be placed on a list by means of a drawing to be held by the College and Union not later than thirty (30) days after the ratification of this contract. Copies of this list of hearing officers will be available in the College and Union offices and elsewhere, if desired by either party.

Hearing officers for a particular grievance will be selected in rotation in order of placement on the hearing officer list. If a selected hearing officer cannot fulfill a given hearing assignment, the next person on the list will be selected.
3. The selected hearing officer shall schedule a hearing to take place not more than fifteen (15) days nor less than ten (10) days after his/her designation as hearing officer or by agreement. The grievant, Union and the College will be notified of the meeting not less than five (5) days before the scheduled date of the meeting.

ARTICLE 12, Section 3 (continued)

Each side will be given broad latitude in the placing of evidence and calling of witnesses and will provide the hearing officer and each other with a tentative list of witnesses at least two (2) days before the scheduled date of the hearing.

Persons present at the hearing shall include only the following: the grievant, the immediate supervisor, one representative each of the Union and the College, one observer each for the grievant and immediate supervisor, those witnesses who will provide relevant testimony regarding the grievance issue and the hearing officer. The hearing officer shall conduct the hearing in an informal non-legal atmosphere.

The hearing officer will be given broad powers to call witnesses, obtain data, examine records, etc., in an attempt to reach an equitable resolution of the grievance. He/she, however, must respect the confidentiality of such records and disclose only such information as required to substantiate his/her findings.

4. Within fifteen (15) days of the hearing the hearing officer will submit written findings and recommendations to the Board. Copies of his/her findings and recommendations will also be submitted to the Union and the grievant.
5. At the first regular Board meeting following the receipt by the Board of the findings and recommendations of the hearing officer, the Board will take formal resolution action relative to the grievant; provided such findings and recommendations have been received at least five (5) days prior to said Board meeting. Copies of Board action will be sent to the grievant, the hearing officer and the Union within five (5) days after such action.
6. The fees and expenses of the hearing officer shall be shared equally by the College and the Union in the STEP THREE grievances mutually initiated by the College and the Union. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expenses of witnesses called by the other (EXCEPT the College shall be responsible for necessary release time of employees as provided in the introductory language to these grievance procedures). Compensation for hearing officers shall be determined and stipulated prior to final agreement of the roster, but in no cases shall be more than fifteen dollars (\$15.00) an hour.

It shall be understood that the utilization of hearing officers is in part an attempt by the College and the Union to utilize local community resource persons, who ideally would regard service, at least in part, as a contribution of their time as a community service.

E. STEP FIVE: BINDING ARBITRATION

In the event the employee is not satisfied with the disposition of the grievance at STEP TWO, the grievant and the Union may mutually, within ten (10) days of the receipt of the College President's findings and recommendations, submit the grievance to the American Arbitration Association for arbitration under their rules and within the following guidelines:

1. If there is mutual agreement between the College and the Union, arbitration may be held under the expedited rules of the American Arbitration Association.
2. If a question of arbitrability is raised, this will be determined before any consideration will be given to the substantive matters of the grievance.

ARTICLE 12, Section 3 (continued)

3. The arbitrator shall limit his/her decision strictly to disputes involving the application, interpretation or alleged violation of specific articles and/or section of the contract and the expressed terms therein, but he/she shall be without power or authority to establish or adjust salary schedules. This stipulation shall not prohibit the arbitrator from making interpretations or judgments regarding application of the salary schedules as they have been negotiated and agreed upon. The arbitrator's decision shall be in conformity with all existing laws. This shall not preclude the right to appeal to a court of law for an enforcement order.
4. There shall be no appeal from the arbitrator's decision if it is within the scope of his/her authority, except those grievances involving charges of discrimination in which cases the grievant may further pursue his/her complaint to any appropriate agency(ies). It shall be final and binding on the Union, the employee(s) involved, the administration, and the Board.
5. The fees and expenses of the arbitrator shall be shared equally by the College and the Union. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expenses of witnesses called by the other (EXCEPT the College shall be responsible for necessary released time of employees as provided in the introductory language to these grievance procedures).

Section 3

**RENTON TECHNICAL COLLEGE
ONLINE CLASSES
SALARY SCHEDULE**

1. **Pay for Online Classes.** Employees will be paid based upon the number of students enrolled and the appropriate step on the Adjunct Employee Salary Schedule, Appendix A, Section 2. The online classes covered under this section, are those delivered through the Learning Management System hosted by the State Board of Community and Technical Colleges (currently CANVAS).

Traditional classes usually require at least twelve (12) students to be enrolled. However, distance education classes can operate regardless of the number enrolled. Therefore, the salary for online classes will depend on the number of students enrolled on the enrollment count date.

- A) If the class has 1 to 14 students enrolled, for each class hour, employees will be paid one-twelfth (1/12) or 0.0833 of the appropriate rate for each student enrolled on the enrollment count date.

OR

- B) If the class has 15 students or more, up to the class cap, employees will be paid the appropriate rate plus \$100.00 per credit.

For example, an employee on Step D of the July 1, 2015 – June 30, 2016 salary schedule (\$43.36) would be paid for teaching and all related services including preparation, grading, and record keeping, for a sixty-hour class with five credits, as follows:

If the class has 11 students enrolled:

55 class hours x .0833 per student x \$43.368 hour x 11 students = \$2,185.19 per class

OR

If the class has 15 or more students enrolled:

55 class hours x \$43.36 + \$100.00 x 5 credits = \$2884.80 per class

2. **Pay for Hybrid Classes.** Hybrid classes are those where a portion of the instruction is delivered using the online Learning Management System indicated in Section 3, paragraph 1 of this Appendix. An instructor who teaches a hybrid class that has less than 50% (fifty percent) of the course work completed online will be paid according to the adjunct employee salary schedule Appendix A Section 2.

An instructor who teaches a hybrid class that has equal to or greater than 50% (fifty percent) of the course work completed online will be paid according to the online classes salary calculation outlined in Section 3, paragraph 1 of this Appendix.

3. **Pay Dates.** The employee will be paid in equal semi-monthly installments for the duration of the contract. The payments begin after the enrollment count date. If the enrollment count date is prior to the sixteenth (16) of the month, the first pay date will be the twenty-fifth (25) of that month. If the enrollment count date is on the sixteenth (16) of the month or later, the first pay date will be the tenth (10) day of the following month.

RENTON TECHNICAL COLLEGE INCENTIVE PROGRAM

We, the undersigned, on behalf of the Renton Technical College and the Renton Federation of Teachers, hereby agree to participate in the Renton Technical College Incentive Program in accordance with the provisions described below. Should the Department of Retirement Systems determine that payments made to employees by the College constitute excess compensation under RCW 41.50.150 or other applicable statutes, this Appendix C will be null and void and the parties will renegotiate immediately concerning the amount and mechanics of payment for incentives.

1. Credit Incentive Program

Full-time continuing contract employees are eligible to participate in the Renton Technical College Credit Incentive Program. Eligible employees may elect to receive a four hundred dollar (\$400) credit incentive for completion of three (3) authorized credits or 30 clock hours taken between July 1 and June 30 of the contract year. Authorized credits are any credits recognized by the College and include the following:

- A. Three (3) quarter credit hours from an accredited college or university, and a 2.0, C or pass if taking pass/fail option, recorded on a transcript and received by Human Resources no later than June 30 for the prior year;
- B. Three (3) quarter credit hours from the Staff Development course offerings of Renton Technical College which are presented for college or university credit, recorded on a transcript and received by Human Resources no later than June 30 for the prior year;
- C. Thirty (30) clock hours of approved continuing education credits.
- D. Thirty (30) clock hours of locally approved in-service, if such in-service is qualified and approved by the College.

Eligible employees may utilize any combination of offerings under subparagraphs A through D above (e.g., two college/university quarter credit hours plus ten clock hours of approved continuing education) to satisfy the requirements of this program.

APPENDIX C RENTON TECHNICAL COLLEGE INCENTIVE PROGRAM (continued)

2. Optional Day(s) Incentive Program

- A. Eligible employees may participate in the Renton Technical College Optional Day Incentive Program. Employees may elect to receive per diem pay for up to five (5) days (40 total hours) for paid or unpaid industry experience other than self-employment in the occupations directly related to their teaching assignments. Such directly related industry experience must be approved in advance by the employee's designated immediate supervisor and the industry experience must occur between July 1 and June 30 of the contract year. Documentation must be received by Human Resources no later than June 30 for the prior year.

OR

- B. As part of this incentive program, up to ten (10) percent of the eligible employees may convert a part of or all five (5) of their optional days into dollars to pay for degree granting credits. Prior written approval from the Vice President for Instruction is required. The employee must be enrolled in an accredited college or university degree program. The total amount of dollars to any one employee will be no more than the equivalent of forty (40) hours at their current rate of pay. Documentation must be received by Human Resources no later than June 30 for the prior year.

OR

- C. Employees may opt to apply up to forty (40) hours of compensation for program related accreditation activities. This option is available no more than every other year with the approval of the employee's immediate supervisor. Documentation must be received by Human Resources no later than June 30 for the prior year.

3. Payment

Employees will receive a College supplemental contract in each year reflecting eligibility to participate in the Renton Technical College Incentive Program. Following receipt of the official transcripts or other appropriate documentation showing completion of course work, payment due under the Credit Incentive Program will result. Following receipt of the Incentive Time Report documenting participation in the optional day(s), payment due under the Optional Day(s) Incentive Program will result.

Section 2 Sufficient Cause for Dismissal of an Employee

A faculty member shall not be dismissed prior to the written terms of the appointment except for sufficient cause.

Sufficient Cause for dismissal of an employee shall include, but be not limited to:

- a. Grounds constituting sufficient cause under RCW 28B.50.862;
- b. Incompetence in the performance of professional duties;
- c. Neglect of duties;
- d. Malfeasance;
- e. Willful violation of college rules and regulations;
- f. Gross misconduct;
- g. Sexual or other harassment;
- h. Abuse of students or staff;
- i. Theft or embezzlement of state property; or,
- j. Willful insubordination.

Misconduct of a potentially criminal or otherwise unlawful nature may be referred to the appropriate law enforcement authorities.

Section 3 Composition of the Dismissal Review Committee

A five (5) member Dismissal Review Committee created for the express purpose of hearing dismissal cases shall be established. The members shall include one administrator, one full-time student and three tenured faculty members.

The administrator shall be selected by the President or designee.

The student member, who shall be a full-time student, will be selected by the student body in such manner as the students shall determine or, in the absence of such action by the student body, by the College President or designee and the Union President or designee.

The three (3) tenured faculty members shall be duly elected at a general membership meeting of the Union. The faculty members for the Dismissal Review Committee shall be elected no later than October 15 of any academic year and will serve a one (1) year term. The Union will also elect three (3) tenured faculty members as alternates.

The Dismissal Review Committee will select one of its members to serve as chair. In no event shall a member of the committee sit in judgment of her/his own case, or in instances of potential conflict of interest.

In the event of a vacancy on the committee, a replacement shall be selected within (15) calendar days of the vacancy in the manner outlined above. It is understood and agreed that it may not always be practicable to identify a student member who is willing and able to serve, and the committee may proceed in the absence of the student member.

APPENDIX E DISMISSAL (continued)

Section 4 Preliminary Proceedings

Except in the case of reductions-in-force (which are governed by Article 13 of this Agreement), the President or designee shall provide written reasons for considering the potential dismissal of a faculty member and shall provide an opportunity for the faculty member to meet informally with the President or designee to discuss the concerns. The faculty member may have a union representative present at this meeting. The matter may be informally resolved at this point by mutual agreement. The President shall place the letter and/or any resolution agreement in the faculty member's personnel file unless mutually agreed otherwise.

Section 5 Formal Procedures Relating to Dismissal of an Employee

If the College President determines that dismissal proceedings should be initiated, the President shall specify in writing the alleged grounds constituting sufficient cause for dismissal and shall provide such written notice to the faculty member and to the Union. The notice shall include:

1. A statement that the faculty member has a right to a hearing (the hearing must be held on not less than fifteen (15) calendar days' written notice).
2. A statement of legal authority and jurisdiction under which the hearing is to be held.
3. A reference to the particular College rules or policies that are involved.
4. A summary stating with reasonable particularity the alleged facts constituting the grounds for dismissal.

The faculty member shall have fifteen (15) calendar days from the date of the notice of dismissal to request a hearing by providing written notice of the request to the College President. The faculty member's failure to request a hearing within such time shall constitute the faculty member's acceptance of dismissal and waiver of any right to a hearing. The decision of a faculty member not to request a hearing, or the faculty member's failure to request a hearing, shall be confirmed in writing by the College President to the faculty member, the Union, and the Board of Trustees.

Section 6 Procedural Rights

A faculty member who timely requests a hearing shall be entitled to one formal adjudicative proceeding conducted in accordance with the Administrative Procedure Act, RCW 34.05, and shall have the following procedural rights:

2. The right to be free from compulsion to divulge information which the faculty member could not be compelled to divulge in a criminal proceeding.
3. The right to be heard in the faculty member's own defense and to present witnesses, testimony and evidence on all issues involved.

- 7.4 *Final Decision by the Board.* The case shall be reviewed by the Board as follows:
- 7.4.1 Board review shall be based on the record of the hearing and on any record made before the Board, except that the Board shall not receive new evidence;
 - 7.4.2 The Board may permit an opportunity for oral or written argument or both by the parties or their representatives;
 - 7.4.3 The final decision to dismiss or not to dismiss shall rest, with respect to both the facts and the decision, with the Board after giving reasonable consideration to the recommendations of the Dismissal Review Committee and the hearing officer. The Dismissal Review Committee's recommendations and the findings, conclusions and recommended decision of the hearing officer shall be advisory only and in no respect binding in fact or law upon the decision maker, the Board. The Board shall, within a reasonable time following the conclusion of its review, notify the affected faculty member in writing of its review decision and final order. If applicable, the final order shall specify the effective date of dismissal.

- a. *Petition for Reconsideration.* The faculty member may petition the Board for reconsideration of its review decision and final order by filing a petition for reconsideration within fifteen (15) calendar days after service of the final order. The filing of a petition for reconsideration is not a prerequisite for seeking judicial review, but the time for filing a petition for judicial review does not commence until the Board disposes of the petition for reconsideration. The petition for consideration shall be deemed denied if within twenty (20) calendar days from the date the petition is filed the Board neither disposes of the petition nor serves written notice of the date by which the petition will be acted upon.
 - b. *Petition for Judicial Review.* The faculty member may petition for judicial review of the Board's review decision and final order by filing a petition for judicial review within thirty (30) calendar days after service of the Board's final order in accordance with the filing requirements of the Administrative Procedure Act, RCW 34.05.
 - c. *Petition for Stay.* The filing of a petition for reconsideration or petition for judicial review shall not stay the effectiveness of the Board's decision and final order. The faculty member may petition the Board to stay the effectiveness of its final order by filing such petition within fifteen (15) calendar days after service of the order, unless otherwise provided in the final order.

Section 8 Suspension

Suspension by the College President during the administrative proceedings (prior to the final decision of the Board) is justified if immediate harm to the affected faculty member or others, or to the educational program, is threatened by his or her continuance. Any such suspension shall be with pay unless reassignment has been offered to and refused by the employee.

APPENDIX E DISMISSAL (continued)

Section 9 Publicity

Except for such simple announcements as may be required covering the time of the hearing and similar matters, no public statements about the case shall be made by the employee, the Dismissal Review Committee, administrative officers, the Union or the Board until all administrative proceedings and appeals have been completed.

Section 10 Time Limits

The term "days" as used in this Appendix means calendar days except where working days are specified. Working days are those days on the College's instructional calendar. In computing any time prescribed or allowed, the day of the act or event from which the designated period of time begins to run shall not be included.

Renton Technical College ("College") and the Renton Federation of Teachers, Local 3914 ("Union") agree that additional compensation provided to faculty through Special Assignment Memos and stipends has been in place for more than twelve years;
