PREAMBLE

This Contract is made and entered into by and between the Board of Trustees of Community College District No. 20, hereinafter called the "Employer" or "District", and the Walla Walla Community College Association for Higher Education affiliated with the Washington Education Association (WEA) and the National Education Association (NEA), hereinafter called the "Association." The terms "District" and "Employer" used hereinafter shall mean the Board of Trustees or its lawfully delegated representatives.

Article 1  Recognition

1.1 The Employer recognizes the Association as the bargaining representative for all Academic employees employed by the District for the purposes of exercising all rights accorded the Association by State Law and the terms and conditions of this Contract. "Academic employee" means any teacher, counselor, librarian, or department head, who is employed by the District, whether full or part-time, with the exception of the president and any administrator who performs administrative functions as at least fifty percent (50%) or more of his/her assignments and/or has responsibilities to hire, dismiss or discipline faculty members.

1.2 Excluded from the bargaining unit are all employees of the District who do not meet the definition of "academic employee" as defined herein. Should a question arise whether an exempt position is included or excluded from the bargaining unit, the Board or its designee shall meet with the Association and attempt to resolve the difference. Appeal may be taken by either party pursuant to the Public Employment Relations Commission rules.

1.3 The administrative or exempt positions excluded from the bargaining unit are identified in Appendix A.

1.4 In the event additional administrative or exempt positions are created by the Employer during the duration of this Contract, such classifications which are substantially similar to that in Appendix A shall also be exempt from such recognition or inclusion. In the event additional administrative or exempt positions are created by the Employer during the duration of this Contract, the Association shall be notified by the Human Resources Office of any position descriptions that include the duties of academic employees, including teaching, counseling, and library faculty. The Association will be notified prior to finalization of the position announcement.

1.5 The Employer will not interfere with the legal right of faculty employees to organize, join, and support the Association for whatever purpose in which it may legally engage. The Employer agrees it will not discriminate against any faculty employee because of membership in the Association, because of participation in any lawful activity on behalf of the Association, or because of any action taken within the duly established grievance procedure.
1.6 The Association is the authorized representative of the faculty to bargain faculty working conditions and compensation. These shall include duties and compensation of faculty performing paid leadership responsibilities. Proposed changes in the duties, responsibilities, or compensation of faculty performing division/department chair responsibilities are subject to the negotiation of the Administration and the Association. Current faculty leadership position descriptions will be found in the Faculty Handbook.

Article 2 Status of the Contract

2.1 This Contract shall supersede any rules, regulations, policy, resolutions, or practices of the Employer which shall be contrary to or inconsistent with its terms to the extent that it is contrary to or inconsistent.

2.2 All items agreed upon during negotiations and reduced to writing are final and binding on both parties for the duration of this Contract and may be modified during the life of this Contract, only by mutual consent of both parties. Requests to negotiate additional terms to this Contract during its duration shall also require mutual agreement. Existing policies, rules, regulations, procedures or practices not in conflict with this Contract may remain in full force and effect at the discretion of the Board.

2.3 Unless specifically stated, nothing in this Contract shall be interpreted or applied to reduce current individual salary rates. Changes in policies or conditions which are negotiable under RCW 28B.52.030, but are not a part of this Contract, may be adopted by the Board provided the Association is notified of the proposed changes. The Association shall be notified in writing of the proposed changes at least 10 days prior to adoption.

2.4 Unless the context in which they are used clearly requires otherwise, words used in this Contract denoting gender shall include both the masculine and the feminine.

Article 3 Conformity to Law

Any provision of this Contract which may be adjudged by a court of competent jurisdiction to be in conflict with any Federal law or State law or regulation of the Washington State Board for Community and Technical Colleges present or subsequent shall become inoperative to the extent or duration of such conflict. Since it is not the intent of either party here to violate such laws, it is agreed in the event of a conflict between any provisions of this Contract and such Federal or State law or regulation of the Washington State Board for Community and Technical Colleges the remainder of this Contract shall remain in full force and effect. The parties agree to meet for the purpose of negotiating substitute provisions within thirty (30) days to replace those provisions coming into conflict with the laws herein described.
Article 4  Distribution of the Contract

Within thirty (30) days following ratification of this Contract, the District shall distribute to all contracted full-time and part-time employees an electronic copy of the complete Contract. Full-time employees new to the District shall be provided a copy of the Contract by the District upon issuance of their individual contract and such Contract shall be available to all applicants on the Employer's web page.

Article 5  Contracting Out

The Board will bargain with the Association concerning the effects of any proposed subcontracting of work customarily performed by academic employees.

Article 6  Management Rights

6.1 All management and decision-making responsibility for the District is vested exclusively with the Employer. The management and decision-making rights shall be limited only by the express terms of this Contract. All matters not specifically and expressly covered by the language of this Contract may be administered for its duration by the Employer in accordance with such policies and procedures as it from time to time may determine.

6.2 The Employer shall adopt policies, rules, and procedures, as it may deem appropriate to correct safety and health hazards and deficiencies relating to District property, activities and operations.

Article 7  Association Rights

7.1 Any representative of the Association who is mutually scheduled by the parties to participate during instruction or non-instruction periods in Employer/employee conferences shall suffer no loss of pay.

7.2 The Employer shall furnish the Association, upon request, information required to perform its representation functions. Requests for information shall be made in writing and directed to the Human Resource Director.

7.3 Association meetings or Association committee meetings when scheduled shall not interrupt classroom assignments or scheduled office hours for those individuals involved. General membership meetings of the Association shall be scheduled through Plant Facilities and follow the regulations and procedures for use of campus facilities and equipment. No charge shall be made for the Association's use of district rooms.

7.4 The Association and its affiliates shall have the right to post notices of their activities and matters of Association concerns on college bulletin boards. The Association and its affiliates shall have the right to use the internal college mail service and employee mailboxes for communication with academic employees.
7.5 The Association shall receive within the first month of each academic year the names, home addresses, telephone numbers (if public information), and assigned work locations of all members of the bargaining unit.

7.6 Association representatives shall have reasonable access during normal college hours to all buildings in which members of the bargaining unit work, provided that such access does not disrupt the learning process and advance notification is given to the office of the President.

7.7 Release time will be provided the Association representative(s) to conduct Association business if prior approval is received from the President or his designee.

7.8 The AHE President shall receive a yearly stipend in accordance with Appendix C. In lieu of this stipend, one-third release time may be provided the AHE President.

7.9 Membership

No employee shall be required to join the Association unless or until such time as sixty-two percent of the full-time academic employees voluntarily join the Association at which time an Agency Shop (as described in Article 7.11) will be implemented. For purposes of this Article, full-time academic employees are defined as those who are employed on a full-time permanent contract based on at least 176 days; paid from the full time salary schedule; and performing professional duties and responsibilities as described in Article 10, Faculty Responsibilities.

7.10 Voluntary Dues Payments

Full-time academic employees have the right of automatic payroll deduction of Association membership dues and fees.

A. It is the Association's responsibility to provide an automatic payroll authorization form to academic employees. Once an academic employee has signed the automatic payroll authorization, dues deduction shall be effective on the first of the month following the month in which the form is received by the payroll office unless the form is received on the first working day of the month in which case the deduction will be effective the month in which it is received. Thereafter, the deduction will be continuous from year to year unless revoked in accordance with section C below.

B. On or before September tenth of each year, the Association shall provide a table of prorated annual dues, assessments, and fees to the Payroll Office.

C. Until such time as an Agency Shop provision is implemented, revocation of membership shall be made by an academic employee, in writing, to the Association with a copy to the Payroll Office and shall become effective on the first of the month following the month in which the form is received by the Payroll Office unless the form is received on the first working day of the month in which case the deduction will be effective the month in which it is received.
7.11 Agency Shop

Upon sixty-two percent of the full-time faculty voluntarily becoming Association Members, an Agency Shop will be implemented. Under the Agency Shop, as a condition of employment, all full-time faculty members will become members of the Association and pay dues or, as non-members, pay a fee as described in subsections below, no later than September 30th of the academic year following the date upon which the sixty-two percent threshold is met.

A. Agency Fee Payers. Full-time faculty who choose not to become active Association members must pay to the Association a representation fee (agency fee) through payroll deductions equal to the amount of dues required to be an Association member.

B. Religious Exemption.

1. A full-time faculty member who asserts a right of non-association based on bona fide religious tenets, or teachings of a church or religious body, of which he or she is a member, shall pay the amount of money equivalent to the representation fee to a non-religious charitable organization mutually agreed upon by the employee and the Association.

2. The employee shall furnish written proof that such payments have been made or an employee who does not join the Association based on bona fide religious tenets, or teachings of a church or religious body of which he or she is a member, will make payments to the Association that are equal to its representational fee. These payments will be forwarded by the Association to the agreed upon non-religious charitable organization.

3. If no agreement on the charity is reached, the Public Employment Relations Commission (PERC) shall designate the charitable organization. In the event of a disagreement arising out of a claim of non-association based on bona fide religious tenets, either the employee or the Association may file with PERC a petition for a declaratory ruling. Upon being served with a copy of such petition, the College shall preserve the status quo by withholding and retaining disputed fees until PERC has ruled on the matter.

C. Agency Shop Non-Compliance.

1. The College will provide the Association notification of a full-time faculty member's failure to meet Agency Shop provisions outlined above by the 15th of the calendar month following such date that the condition became effective. The Association will inform the faculty member of non-compliance and that his or her employment may be terminated. If the faculty member fails to comply with the Agency Shop obligations, the Association will instruct the College to terminate the faculty member's employment.

D. Association Dues. The Association will provide each new full-time faculty member a WEA membership enrollment form. Included with the form will be options for dues deduction or deduction of a representation fee equivalent to Association dues. The College will provide payments for all said deductions to the WEA on a monthly basis.
7.12 Hold Harmless

The Association agrees to indemnify the Employer and hold it harmless against any and all suits, claims, demands and liability for damages or penalties that shall arise out of or by reason of any action that shall be taken by the Employer for the purpose of complying with the foregoing provisions of this section provided such action has been authorized by the faculty member and such authorization has not been rescinded.

Article 8 Academic Employee Protection

8.1 Legal Protection

The Board agrees to hold employees harmless and defend from any financial loss including reasonable attorney’s fees for actions arising out of any claim, demand, suit, criminal prosecution, or judgment by reason of any act or failure to act by such employees within or without the District, provided such employee, at the time of the act or omission complained of, was acting within the scope of his employment or under the direction of the Board, as provided below.

A. As provided for in RCW 28B.10.842 whenever any action, claim, demand, suit, criminal proceeding, judgment, or proceeding is instituted against an employee arising out of the performance or failure of performance of duties for the College, within or without the District facilities, the Board of Trustees shall grant a request by an employee that the Attorney General be authorized to defend such action, claim, demand, suit, criminal proceeding, and the cost of defense of such action shall be paid from the appropriation made for the support of the District provided that the Board has made a finding and determination by resolution that the employee was acting in good faith. If the Board is unable to reach any decision on the matter, the Attorney General is authorized to grant a request.

B. When a request for defense has been authorized, then any obligation for payment arising from such an action, claim, or proceeding shall be paid from the State’s Tort Claims Revolving Fund pursuant to the provisions of RCW 4.92.130 through 4.92.220 as now or hereafter amended.

8.2 Academic Freedom

Each employee is entitled to freedom in the classroom in the discussion and presentation of the subject he/she teaches.
Article 9  Academic Employee Rights

9.1 Individual Rights

Academic employees shall be entitled to full rights of citizenship. There shall be no discipline or discrimination with respect to the employment of academic employees due to race, creed, color, marital status, sex, age (over 40), sexual orientation, including gender expression/identity, genetic information, national origin, the presence of any sensory, mental, or physical disability, the use of a trained guide dog or service animal by a person with a disability, or status as a Vietnam and/or disabled veteran, National Guard member or reservist, in accordance with Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, the Federal Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990, and any other applicable Federal and Washington State laws against discrimination.

9.2 Safe Working Conditions

Employees shall not be required to work under unsafe or hazardous conditions or to perform tasks which endanger their health, safety or well-being or the health, safety or well-being of students as determined by the Washington State Industrial Safety and Health Act. Both parties agree to abide by the terms of the Washington Industrial Safety and Health Act.

9.3 Any academic employee who is threatened with bodily harm by an individual or a group while carrying out his/her assigned duties shall immediately notify the appropriate administrator. The administrator shall notify the President of the incident and take immediate steps in cooperation with the employee to provide every reasonable means of protection.

9.4 A faculty member teaching at any of the educational facilities of WWCC shall have authority to remove or deny admittance of any student who is deemed to be a threat to the safety of the faculty member and/or students consistent with the Student Code of Conduct. In an event involving a faculty member teaching at one of WWCC's contracted correctional educational facilities, such action shall be in accordance with the Agreement between the College and the Department of Corrections.

9.5 Right to Due Process

No employee shall be reprimanded, disciplined, or reduced in compensation without just cause. In any event, any charges which are made shall be reduced to writing and made available to the employee. An employee shall have the right to have one Association representative of his/her choice present at any meeting wherein the employee believes he/she may be reprimanded, disciplined or denied rights available under this Contract. Nothing herein shall be construed to preclude a Vice President or other appropriate administrative person from attempting to resolve problems with an employee in confidence. Matters relating to tenure, dismissal and layoff shall be covered in Articles 33, 34 and 35 respectively and such instances shall not be covered by this subsection.
9.6 Personnel Files

Each employee shall have the right, upon request, to review and inspect the contents of their personnel file. A copy of any material to be placed in an employee’s personnel file shall be given to the employee at the time. The employee shall have the right to attach a full and complete rebuttal statement to any derogatory material placed in his/her file. Material may be expunged from the file upon mutual agreement of the employee and the appropriate Vice President. Nothing herein shall preclude the District from maintaining payroll and related administrative records outside of an individual employee’s personnel file.

9.7 Selection of Full-time Faculty

A. It is the intent of the Employer and Association that personnel selection practices be designed to ensure high standards of excellence in all phases of district operations, satisfy the standards of regional and national accrediting organizations, and provide for a professional staff and faculty representing a wide range of educational and professional experience. Personnel practices and standards shall be consistent with the requirements of WAC 131-16-080 and 131-16-091.

B. The Employer and Association are committed to ensuring the most qualified educators available are hired to fill funded full-time vacancies, consistent with our commitments to affirmative action, equal opportunity, campus diversity, and shared governance. The Association recognizes that the Board of Trustees has full authority and responsibility for the staffing and operation of the College. The Board may, at its discretion, delegate its appointing authority. Hiring decisions are the responsibility of the appointing authority. The Employer reserves the right to not fill a position, reject all applicants, reopen a position, or make an appointment.

C. Posting Positions: Tenure-track positions, and when possible all other full-time positions, will be posted on the Employer web site for a minimum of ten (10) days. This posting requirement does not preclude the appointment of more than one candidate from a single recruitment posting or the use of an established candidate pool to fill the same or similar future tenure-track vacancies.

In such cases, the employee shall notify the appropriate supervisor at least one (1) hour prior to his/her first working assignment.

All employee benefits shall continue during the period of any paid leave.

Leave of absence may be granted for all or part of an instructional year to contracted employees. Such leave is without pay, but previously accrued benefits will be retained. Application for leave of absence will be made through the division coordinator and the Vice President of Instruction to the College President. At the conclusion of such an approved leave, the District agrees to return the employee in the same or similar position with equivalent pay and benefits, provided that the recipient has confirmed his/her intent to return, at least sixty (60) days prior to the expiration of his/her leave. Employees who take a leave of absence greater than 50 percent of an academic year will not receive a salary advancement increment for the year. Employees who meet eligibility requirements at the time when granted an official leave of absence without pay:

Contributions will be forwarded with the district group payments. Excluded is salary continuation insurance, which will be suspended until the employee returns to the active payroll.

Article 18 Replacements for Personnel on Leave

Depending on the length of the leave for an employee, it may be necessary to hire either a substitute (for periods of less than thirty (30) days) or a replacement (for periods of thirty (30) days or more). In either case, the new employee should be informed of the estimated length of his/her assignment and the temporary employment category; i.e. "substitute" or "replacement" in which he/she is working. In all cases, it will be understood prior to beginning of employment that a regular full-time employee will be returning to that position.
Article 19  Personal Leave

Full-time employees will receive three (3) days leave per year for purposes of a personal nature provided such leave is arranged in advance with the Dean and/or Director of the instructional unit. Such leave is non-accumulative and the third day taken will be counted as sick leave. Personal leave may be taken in hourly increments. Employees who are annually contracted for less than 100 percent and quarterly contracted employees who are placed on the full-time salary schedules will get equivalent Personal Leave on the same proportional basis that their employment schedule bears to a full-time schedule. Sick leave account shall be reduced in the same ratio as the payout bears to his/her total salary. All benefits such as retirement, social security, sick leave, and salary placement shall be maintained by the District.

22.2 Employees suffering illness or injury which is compensable under industrial insurance provisions, shall receive full sick leave payments, less any industrial insurance payments received by the employee in compensation for the time loss resulting from the period of leave, unless he/she chooses to receive only industrial insurance payments. 22.3 Sick leave days charged to an employee with a worker's compensation claim shall be proportionate to that portion of the employee's salary paid by the institution during the claim period.

22.4 An employee who sustains an industrial injury, accident, or illness, arising from employment, shall upon written request and proof of continuing disability be granted leave of absence without pay for up to six (6) months without loss of lay-off seniority or change in annual increment date. 26.2 Purpose

The purpose of sabbatical leave is to benefit the college and its students by providing academic employees with the opportunity to engage in activities leading to professional growth and revitalization. The college encourages qualified faculty to make use of sabbatical leave. Such leave would allow eligible employees an extended period of time free from normal contractual obligations in order to pursue legitimate professional goals. This purpose is consistent with the provisions of RCW 28B.10.650 as now exist or hereafter amended and with this college's commitment to faculty professional development. Appropriate uses of sabbatical leave would include formal study, travel relevant to work assignment, work experience in one's teaching field, or any other activity which would contribute substantially to the improvement of teaching abilities.
26.3 Eligibility

Sabbatical leave may be granted for one, two, or three consecutive quarters after completion of six (6) years of full-time contractual service as an academic employee of Walla Walla Community College. Employees awarded three quarters of sabbatical leave will be eligible for additional award after a second six (6) year period of full-time employment. 26.4 Approval

All sabbatical leaves require the approval of the Board of Trustees. The number of sabbatical leaves approved by the Board shall not exceed five percent (5%) of the full-time contracted faculty, provided the number of leaves given does not exceed four percent (4%) of the full-time equivalent faculty. The number of leaves granted shall be subject to budget restraints. In the event that the number of applicants exceeds the number of recipients, the Board shall name a first and second alternate to replace a leave recipient should an employee not accept a sabbatical leave grant.

26.5 Compensation

Faculty are encouraged to seek outside funding support for their sabbaticals. Compensation from the college during sabbatical leave shall be computed on the basis of the recipient's 176-day contractual salary for the year in which the leave is taken. The following rates apply:

A. 85% for one-quarter leave.

B. 75% for two-quarter leave.

C. 75% for three-quarter leave.

26.6 Outside Funding

26.7 Procedure

An application for sabbatical leave, which will include reasons for requesting the leave, a detailed sabbatical leave plan, two letters of recommendation from colleagues or supervisor, and recommendation from the appropriate Vice President, must be submitted to the Professional Development Committee by January 15 of the previous college year. The Professional Development Committee will report its recommendations to the President by February 15. The President may recommend candidates for sabbatical leave awards to the Board of Trustees after he has given reasonable

B. The amount of sabbatical payment.

C. A commitment to perform according to the approved sabbatical leave plan.

D. That the recipient will return to employment at the College for at least one (1) full academic year following the leave. The recipient upon return shall be placed in a position at a salary no less than the one received before the leave. It is the intention of the District to place the recipient in the same or similar position upon return.

E. That the recipient, upon return, will submit a written report to the President summarizing the work completed during the sabbatical leave and describing how the new knowledge will be utilized in teaching assignments. A report of completed professional development activity must also be submitted to the Professional Development Committee.

26.10 Employee Rights

The time spent on sabbatical leave shall be recognized as equivalent to time spent as a full-time academic employee of the college, excepting sabbatical leave entitlement. On request of the employee, the college will provide a planned assignment at least one quarter in advance of the assignment.

27.7 Exceptions can be made to the twenty (20) contact hour requirement for the lecture/lab where configuration of three (3), four (4), and five (5) credit assignments result in less than twenty (20) contact hours per week.

27.9 Employees instructing in general lecture and lecture/lab method shall post and maintain at least one (1) office hour per day. Evening classes will be assigned to fill a full-time employee's schedule only when no hourly-instructed day classes exist. Counselor and librarians will be assigned day-evening assignments when the appropriate Dean or Director of the instructional unit deems such assignment advisable to better serve students. If other teaching or non-teaching instructional assignments are not available, the instructor's salary will be reduced to reflect the reduction in workload.

Instructors employed at one of WWCC's contracted correctional educational facilities shall not be assigned non-educational responsibilities.

27.13 Syllabi Requirements

Each instructor shall upload his or her syllabi to the Online Catalog Administrator (OCA) by the end of the second week of the quarter in which the course is taught. 34.3 Charges

A. If the President deems sufficient cause exists, a formal charge will be brought against the employee affording an opportunity for a formal hearing after not less than ten (10) days' written notice. The written notice shall include:
   1. A statement of the time, place, and nature of the proceeding
   2. A statement of the legal authority and jurisdiction under which the hearing is to be held
   3. A reference to the particular rules of the District involved
   4. A statement of the charges and allegations.

Copies of such notice will go to the appropriate Vice President, the Chairperson of the Dismissal Review Committee, and the President of the Association.

34.4 Hearing Procedure for Dismissal

A. The affected employee shall have ten (10) days from the date of the notice of dismissal to make a written request for a hearing. If the affected employee does not request such a hearing from the President of the college within seven (7) days, the President will request a written determination from the employee as to whether he/she wishes to avail himself/herself of the right to a hearing. If the employee fails to respond within the ten (10) days provided herein, this failure to request a hearing shall constitute acceptance of dismissal and waiver of any right to a hearing. The decision of an employee not to request a hearing shall be communicated to the Dismissal Review Committee and Board of Trustees. Furthermore, a timely written request for a hearing within the above ten-day (10) period is deemed jurisdictional.

B. Such formal hearing shall be held in accordance with, and in full compliance with, RCW 34.05.449. Provided, however, implementation shall always involve a hearing officer appointed by the District.

C. Upon receipt of a request for a hearing from an affected faculty member, the President shall notify the Board of Trustees and request that the Board appoint an impartial hearing officer. The hearing officer shall be a member in good standing of the Washington State Bar Association and shall not be an employee of the State of Washington Attorney General's Office or an employee or Board of Trustees member of any Washington community college. The Association shall be consulted prior to the appointment of the hearing officer but final selection shall rest with the Board.

D. Consideration by the Dismissal Review Committee.
   1. The designated hearing officer shall conduct a formal hearing pursuant to RCW 34.05.449 as now or hereafter amended. The Dismissal Review Committee shall attend all hearings and at the discretion of the hearing officer shall examine any witness called.
   2. The hearing officer shall make proposed findings of fact. The hearing officer shall transmit the record, including the proposed findings of fact, to the Board of Trustees within thirty (30) days of the conclusion of the hearing.
3. The Dismissal Review Committee, based upon evidence presented at the hearing, shall simultaneously transmit a recommendation to the Board of Trustees.

4. The Board of Trustees shall adopt findings of fact and shall render a decision based upon the record. In rendering such decision, the Board shall give careful consideration to the recommendations of the Dismissal Review Committee.

E. Consistent with RCW 28B.50.864, appeals from the final decision of the Board of Trustees shall be in accordance and full compliance with RCW 34.05.510-.598 and shall not be grievable under the terms of this Contract. Provided, however, upon written mutual agreement of the employee and the District (which includes a waiver either may have to statutory rights), binding arbitration may be utilized in lieu of the procedure outlined in B, C, and D herein. Such agreement must be reached prior to the implementation of D (1) above.

**Article 35 Reduction-in-Force**

35.1 Termination of Faculty Appointments

The appointing authority shall be deemed to have the authority to terminate the contract of any tenured employee or probationary employee because of Reduction-in-Force. Sufficient cause for Reduction-in-Force shall mean either of the following:

A. Elimination or reduction of financing or the elimination or reduction of program.

B. State Board for Community and Technical College declaration of financial emergency pursuant to RCW 28B.50.873 under the following conditions:
   1. Reduction of allotments by the governor pursuant to RCW 43.88.110(7), or
   2. Reduction by the legislature from one biennium to the next or within a biennium of appropriated funds based on constant dollars using the implicit price deflator.

35.2 Nothing in this Reduction-in-Force policy shall be construed to affect the decision and right of the appointing authority not to renew a probationary faculty appointment without cause pursuant to RCW 28B.50.857.

35.3 Lay-Off Units

A. The District Lay-Off Units, each of which may consist of one (1) or more programs, for the purpose of Reduction-in-Force, will be identified in Appendix B. The District reserves the right to add or drop layoff units in accordance with programs being added and eliminated with the mutual agreement of the Association.

B. Full-time employees shall be assigned to one (1) lay-off unit. Assignments to lay-off units shall be published by November 1 of each year. Disputes regarding such lay-off assignments shall be resolved through initiation of a grievance at Step Two and expedited arbitration if required. Employees previously assigned to a second lay-off unit prior to June 1987 shall retain their assignment to such unit.
35.4 Seniority

A. Definition.
Seniority shall be based on the number of years of employment beginning with the date of the signing of the first full-time faculty contract for the most recent period of continuous full-time service at the College and shall include leaves of absence, sabbaticals, and faculty members employed by the District prior to July 1967. The person with the highest number of qualifying years shall be the most senior; in the case of ties, seniority shall be determined in the following order:
1. First date of the signature of a letter of intent to accept employment or first date of signature of an Employment Contract, whichever is earlier.
2. First date of application for employment.

B. Faculty/Administrative Appointment.

In the event non-bargaining unit members assume bargaining unit status, continuous service with the District shall be included in making the appropriate seniority determination required in A above. An exception is that tenured faculty who assume administrative exempt appointments subsequent to the approval of this contract will not be entitled to count years of administrative experience when determining seniority.

35.5 Order of Reduction.

If a reduction is determined to be necessary within a reduction-in-force unit, the order of reduction will be based on seniority. Prior to the laying off of any academic employee within an affected unit, the following actions will first be taken, provided there are qualified academic employees to perform and fulfill the requirements of the academic employee position vacated by the below-mentioned resignation, retirement or leave of absence:

A. Normal academic employee resignations in the same unit will not be replaced.

B. Voluntary academic employee retirements from the same unit will not be replaced.

C. Normal and regular academic employee leaves from the same unit will not be replaced for the duration of the time that such leave is applicable.

D. Vacant positions within the same lay-off unit will be filled from within.

35.6 Notification of Lay-Off

When the President determines that a Reduction-in-Force is necessary and has selected the affected employees to be reduced, the initial step shall be for the President to meet with the employee and discuss the proposed termination/dismissal with the individual employee in personal conference which shall be an informal proceeding for purposes of Chapter 34.05 RCW. The matter may be resolved at this step by the use of alternatives such as reassignment, leave of absence, retirement, resignation, etc. Subsequent steps in the procedure for Reduction-in-Force are specified in Article 34.4, Hearing Procedure for Dismissal.
35.7 Financial Emergency

In the event that the Reduction-in-Force is because of financial emergency pursuant to Article 35.1 (B) above, the following conditions shall apply:

A. In the case of a reduction-in-force for reasons set forth in Article 35.1 (B) above, the notice shall clearly indicate the separation is not due to the job performance of the employee and hence is without prejudice to such employee and, in addition, shall indicate the basis for reduction-in-force as one or both of the reasons set forth in Article 35.1 (B) above. The notice must also indicate the effective date of separation from service.

B. In the case of a reduction-in-force for reasons set forth in Article 35.1 (B) above, at the time of a faculty member's or members' request for formal hearing, said faculty member's or members' may ask for participation in the choosing of the hearing officer in the manner provided in RCW 28A.58.455(4), said employee therein being a faculty member for the purposes hereof, and said board of directors therein being the Board of Trustees for purposes hereof: PROVIDED, That where there is more than one (1) faculty member affected by the Board of Trustees' reduction-in-force, such faculty members requesting hearing must act collectively in making such request: PROVIDED FURTHER, That costs incurred for the services and expenses of such hearing officer shall be shared equally by the community college and the faculty member or faculty members requesting hearing.

C. In the case of reduction-in-force for reasons set forth in Article 35.1 (B), the hearing shall be consolidated; only one (1) such hearing for the affected faculty members shall be held and such consolidated hearing shall be concluded within the time frame set forth herein.

D. In the case of a reduction-in-force for reasons set forth in Article 35.1 (B) above, the formal hearing (pursuant to RCW 34.05.413-476 and conducted by the hearing officer appointed by the Board of Trustees): (a) shall be concluded by the hearing officer within sixty (60) days after written notice of the reduction-in-force has been issued; (b) the only issue to be determined shall be whether under the applicable policies, rules or bargaining agreement, the particular faculty member or members advised of severance are the proper ones to be terminated; (c) any findings, conclusions of law and recommended decision shall not be subject to further tenure review committee action.

E. In the case of a reduction-in-force for reasons set forth in Article 35.1 (B) above, failure to request a hearing shall cause separation from service on the effective date stated in the notice, regardless of the duration of any individual employment contract. In the case of a reduction-in-force for reasons set forth in Article 35.1 (B) above, separation from service after formal hearing shall become effective upon final action by the Board of Trustees.
35.8 Appeal Rights

A. An employee, upon receipt of the President's letter of intent to recommend lay-off, shall be afforded appeal rights defined in Article 34.4; provided, however, that if any member of the Dismissal Review Committee is potentially affected by the recommendation to be submitted, an alternate member shall be immediately elected and provided further that arguments in the formal hearing process shall be limited to data and reasons for the selection of the individual selected for lay-off.

B. All matters regarding Reduction-in-Force shall be consolidated into a single Dismissal Review Committee hearing.

C. Except in extraordinary circumstances, the effective date of the Reduction-in-Force shall be the end of the academic quarter in which the Board of Trustees makes the final determination.

35.9 Recall Rights

Employees who have been laid off as a result of this Article shall have the right to be recalled. Recall shall be in reverse order of lay-off by lay-off unit to a position, either a newly-created or vacant full-time position, provided the employee is qualified to perform the needed duties of such position. The period of recall shall extend three years after the effective date of lay-off.

35.10 Special Provisions

A. Upon the request of a faculty member laid off for reasons of this Article the College President shall write a letter to other institutions of the Northwest stating: (1) the reason of said lay-off; (2) the qualifications of the affected faculty member; and (3) any other pertinent information which may be of assistance in securing another employment position.

B. Upon mutual agreement between the faculty member and the District, appeal rights outlined in this Agreement may be waived in favor of final and binding arbitration, pursuant to Article 34.4 (E).

C. Except as specifically stated herein, the grievance procedure of this Contract shall not be applicable to this Article.

D. In the event an employee hired prior to July 1, 2003 does not exercise appeal rights in Article 34.4, such employee shall be guaranteed a cash out payment equivalent to fifty (50) contract days of pay. In the event an employee hired on or after July 1, 2003 does not exercise appeal rights in Article 34.4, such employee shall be guaranteed a cash out payment equivalent to twenty-five (25) contract days of pay. If a faculty member is recalled for the subsequent quarter, this guaranteed cash out payment will be forfeited. This section does not apply to employees hired at WSP after January 15, 1999.
E. This section applies only to WSP employees hired prior to January 15, 1999. In the event the contract between the Department of Corrections and Walla Walla Community College is not renewed and an employee does not exercise appeal rights in Article 34.4, such employee shall be guaranteed a cash-out payment equivalent to fifty (50) contract days of pay. However, if such faculty declines a subsequent offer of a full-time teaching position at WSP within 65 days of the last date of employment by the college, the cash-out payment will be repaid to the college.

F. Annually contracted employees upon recall shall retain all previously accrued benefits such as sick leave. No District benefits shall accrue or be granted to an individual while on lay-off status. Benefits may be transferred and/or self-paid to the extent permitted by law.

Article 36 Part-Time Faculty

36.1 Fringe Benefits

Part-time employees shall receive health insurance benefits in accordance with Public Employee Benefits Board (PEBB) rules and regulations. For purposes of determining eligibility, percent of time shall mean a percent of the contract hours required by a full-time employee in the appropriate mode of instruction.

36.2 Personnel Files

Part-time academic employees shall have all rights pertaining to personnel files as defined in this Contract.

36.3 Appointment Notices

A. All part-time and temporary educational employees will be issued payroll authorization forms which shall stipulate the instructional assignment(s) and the salary.

B. All temporary contracted educational employees will, on initial employment, be issued Professional Faculty Contract forms which shall stipulate the instructional assignment and salary. Salary notification forms will be issued in subsequent quarters, providing there is no break in service and no change of assignment. This form will state placement on the faculty salary schedule, rate of pay, total salary, and duration of the period of employment.

C. All payroll authorization forms and employment contracts that are issued shall be consistent with the terms and provisions of this Contract and this Contract shall be controlling should there be any inconsistencies.

36.4 Salary Payment

All part-time and temporary education employees shall be paid as follows:
A. Part-time faculty paid from the Part-time, Moonlight/Overload Faculty Salary Schedule and full-time contracted faculty performing moonlight/overload assignments will be paid twice per month, on the 10th and the 25th of the month, or as determined by the state regulations governing payroll procedures.

B. Temporary contracted employees will be paid twice each month, on the 10th and 25th, or as established by state regulations governing payroll.

36.5 Office Hours and Meetings

A minimum of $10,000 will be provided for out of class (office hours) for part-time faculty teaching one-third of a load or more, upon request of the faculty member and approval of the supervisor. Correctional educational programs, summer session, and moonlight overload courses are excluded. Compensation will be at the professional non-teaching rate.

36.6 Sick Leave

A. Accrual

Part-time faculty under contract shall accrue sick leave in hourly increments. The rate of accrual shall be pro-rated based upon their percent of work time as compared to that of full-time faculty. The maximum number of sick leave hours a part-time instructor may be granted shall not exceed seven (7) hours per month.

B. Use

1. According to the provisions of RCW 28B.50.4893:

   a. Part-time academic employees of community and technical colleges shall receive sick leave to be used for the same illnesses, injuries, bereavement, and emergencies as full-time academic employees at the college in proportion to the individual's teaching commitment at the college.

   b. The provisions of RCW 41.04.665 shall apply to leave sharing for part-time academic employees who accrue sick leave under subsection 1a of this section.

   c. The provisions of RCW 28B.50.553 shall apply to remuneration for unused sick leave for part-time academic employees who accrue sick leave under subsection 1a of this section.

2. Employees shall report illness to the division coordinator or his/her immediate supervisor at the beginning of any period of leave and daily thereafter unless prearranged. A physician’s certificate of illness or injury may be required for approval of sick leave in excess of three (3) occurrences (work days) in a quarter.

3. All requests for and reports of sick leave must be documented by completing the appropriate form.

C. Transfer

Part-time faculty may transfer accrued leave to or from any state agency, any educational service district, any school district, or any other institution of higher education as provided in RCW 28B.50.551(5).

D. A break in service of less than five (5) years shall not result in the loss of accumulated sick leave.
36.7 Shared Leave

Part-time faculty who accrue sick leave may participate in the College's shared leave program, on a pro-rata basis, in accordance with the WWCC Shared Leave Policy.

36.8 Sick Leave Cash-Out

Part-time faculty who retire are required to participate in the medical expense plan (VEBA) on the same basis as full-time faculty, subject to VEBA rules and regulations for participation. If the VEBA is not active at the time of retirement, the sick leave will be cashed out to the individual employee. For purposes of sick leave cash out, part-time faculty must provide the College with appropriate verification from the State Board Retirement Plan or social security which shows they are receiving distribution payments and are in retirement status.

36.9 Rate of Leave Earned

Part-time contracted employees compensated on the full-time salary schedule shall receive illness, injury, emergency, and bereavement leave on a pro rata basis. Quarterly contracted employees compensated on a full-time salary schedule who teach a full load for three quarters during an academic year shall receive personal leave.

36.10 Professional Development Fund

A. This section makes provision for a professional development fund for part-time faculty who meet the following criteria:
   1. Must have been a part-time instructor of the District for at least one year and have taught a minimum of 15 credits during that time.
   2. Must be teaching at least five (5) credits when application for funding takes place.
   3. Must be approved or recommended by their supervisor.

B. Funds for this activity will be administered by the Vice President of Instruction with assistance from the Professional Development Committee. Amount of funds will be determined through the annual planning and budgeting process. Part-time instructors working at one of WWCC's contracted correctional educational facilities will be funded by DOC contract dollars.

36.11 Attendance at Professional Development Activities

Part-time instructors who, at the request of their supervisors, attend professional development activities held during assigned class hours will be paid for those class hours, provided that a substitute does not have to be hired.

36.12 Process for Evaluating Part-Time Faculty

A. Part-time instructors are important contributors to the educational mission of WWCC. Evaluation is an important strategy ensuring quality instruction. Evaluation provides useful information to the part-time instructors as a means to encourage continuous improvement. Therefore, evaluation of part-time instructors is an integral component of a comprehensive faculty evaluation system. (See Article 29)
B. Part-time instructors teaching continuing education and community service classes are evaluated as often as practical, using a student evaluation form which is unique to that program.

Article 37  Grievance Procedure

37.1 Definition and Procedure

A grievance is hereby defined as a complaint by employee(s) or the Association regarding the interpretation or application of the terms of this Agreement by the Employer. An individual employee or group of employees shall have the right to present grievances and to have such grievances adjusted without the intervention of the Association, in accordance with Step One below, as long as the adjustment is not inconsistent with the terms of this Agreement. Such grievances shall be handled in the following manner:

A. Step One
   The grievant and the Association representatives, if requested by the grievant, may orally present the alleged grievance to the appropriate Vice President. Resolution, if any, shall be reduced to writing and a copy forwarded to the Association and the President. If the grievance is not adjusted orally, the grievance shall be reduced to writing, dated and signed by the employee and the Association representative, and shall state the specific factual basis of the grievance, the provision or provisions of the Agreement involved, and the remedy sought. The appropriate Vice President shall be given the written and dated original grievance. The Vice President shall answer the grievance in writing within ten (10) working days thereafter and shall concurrently send a copy of the grievance and the answer to the Association.

B. Step Two
   If no resolution is reached at Step One, the written grievance may be submitted to the District President or designated representative; provided it is filed with the District President or his/her designated representative not more than five (5) working days after it is answered in Step One. Representative(s) of the Association shall be present at any meeting called to consider the grievance at this step. The District President or his/her designated representative shall send his/her written answer to the Association within five (5) working days. Such answer shall be deemed to be the position of the Employer.

C. Step Three
   If no resolution is reached at Step Two, the Association may at its sole discretion within five (5) working days after the date of the Step Two answer request by written notice to the District President that the grievance be arbitrated, provided that the grievance presents a matter that is subject to arbitration as herein defined.
37.2 Time Limits

With respect to Article 37.1, the following time limits are established. Any grievance not presented in writing as provided in Step One of Article 37.1 above within thirty (30) working days after the grievant becomes aware of the facts on which the grievance is based, shall be waived for all purposes. Other time limits may be extended by written mutual agreement of the parties. Working day, as used in this article, shall mean any day the College is open to the public but shall exclude Saturdays, Sundays, and official holidays.

37.3 Arbitration

Matters subject to arbitration shall be referred to the American Arbitration Association under voluntary rules. Expedited rules and procedures of the American Arbitration Association may be utilized upon the written consent of the parties.

37.4 Jurisdiction of the Arbitrator

Jurisdiction of the arbitrator is limited to:
A. Adjudication of the issues which, under the express terms of this Agreement and any Submission Agreement, are subject to arbitration.

B. Interpretation of the specific terms of this Agreement which are applicable to the particular issue presented to the arbitrator, and such jurisdiction shall not give such arbitrator authority to supplement or modify or amend any terms or conditions of this Agreement.

C. The rendition of a decision or award based solely on the evidence and matters presented to the arbitrator by the respective parties in the presence of each other, and the matters presented in the written briefs of the parties.

D. Upon request of either party, the merits of a grievance and the procedural arbitrability issues arising in connection with that grievance shall be consolidated for hearing before the arbitrator provided that an arbitrator shall resolve the arbitrability of a grievance before hearing the merits of the grievance.

E. An arbitrator shall not have the authority to remand an issue back to the parties for negotiations as a part of any award.

37.5 Fees and Expenses, Decision of Arbitrator

The fees and expenses of the arbitrator shall be borne equally by the parties. The decision of the arbitrator shall be final and binding upon the Employer, the Association and the employees affected consistent with the terms of this Agreement.
37.6 Records

All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants. Requests by the Association for information needed for processing of any grievance shall not be unreasonably denied. Grievance hearings shall be conducted during normal working hours consistent with minimal interference with instructional duties. Employees directly participating in such hearings shall suffer no loss of pay.

Article 38 Salary Schedule

Part-time teaching and work experience will be prorated for salary placement purposes. Military experience will be credited in the same manner as other experience when it is documented as being relevant to the employee's professional field. Any military service which interrupted a teaching career may be included up to a limit of four years. Work and/or teaching experience not directly related to assignment may be counted at the college's discretion. The Association will be informed of all new placements. In the event exceptional placements are required for competitive purposes, the Association will be consulted before a final placement decision is made.

38.3 Advancement on the Full Time Salary Schedule

A. Advancement on the salary schedule is contingent upon increments.

B. Increments can be earned by:
   1. Successfully completing an additional year of full-time employment.
   2. Earning nine (9) Professional Improvement Units.
C. Failure to satisfy the Professional Development requirement (see Article 30) may result in a withholding of salary advancement, or in termination of the employee's contract.

38.4 Part-time, Moonlight/Overload Faculty Salary Schedule

Part-time faculty schedule is attached as Appendix D.

A. This compensation is based on the course master which identifies the number of hours a class is scheduled to meet each quarter. This compensation covers all activities necessary to successfully offer this class, including but not limited to preparation time, teaching time, exam time, grading, consultation with students, etc.

B. Classes without sufficient enrollment may be canceled. Low enrolled courses will be compensated according to the part-time salary schedule if enrollment has not met the full enrollment threshold by the end of the tenth day of the quarter. Sufficient enrollment will be determined by the College dependent upon College needs, state allocations, and other factors. The College has the right to cancel low enrolled distance courses.

C. Overload pay for Cooperative Education will be paid at $275 per Quarterly Student FTE (QFTE) generated rounded to the nearest .5 QFTE. Faculty supervision and work related to a campus-based Cooperative Education experience outside of their normal workday will be compensated at the non-teaching rate.

D. All special topics/special problems courses will be approved in advance by the vice president of instruction. Compensation for special topics/special problems courses will be paid at $30.00 per credit. This provision does not apply in cases where these courses are part of an instructor's full-time workload.

38.5 Salary Increase Provisions

In the event the Washington State Legislature renews and/or enacts new legislation which allows WCC the opportunity to improve faculty salaries from other college funds, then the parties shall commence negotiations within thirty (30) days of effective date.

Article 39 Individual Contracts

39.1 The Employer shall provide notification of continued employment to each full-time employee prior to the end of Spring Quarter of the preceding academic year. Personnel employed in programs contingent upon contracted funds shall be given a letter of intent relative to continuation of the program in lieu of notification of employment. In such cases notification must be issued by June 30. Certified mail shall be used in instances where an employee is on leave at the time contracts are issued provided the employee has left a forwarding address prior to commencement of leave.

39.2 Each full-time employee who does not intend to return to employment in his/her respective appointment shall so notify the Employer in writing no later than ten (10) days after notification by the President.
Article 40  Payment

40.1 Salary payment shall occur within the contract year as indicated in 40.1 A, B and C below or as directed by the legislature or Governor.

A. September to June Employment. Prior to June 30th of each year the faculty member will have the option to select one of the following payment options for the upcoming academic year.
   1. Contract is divided into nineteen (19) equal amounts and paid 1/19th semi-monthly, September through June.
   2. Contract is divided into twenty-four (24) equal amounts and paid 1/24th semi-monthly, September through May and a balloon payment of 6/24th in June.

B. July through June Employment. The Contract is divided into twenty-four (24) equal amounts and paid semi-monthly, July through June.

C. Alternate Employment Schedule. Semi-monthly amounts encompassing August start date will be established between employee and payroll personnel in cooperation with appropriate administrative approval.

40.2 In the event of a mid-year termination, and prior to final payment because of such termination, the appropriate vice president and the Business Office will determine actual contract days worked and compute the earned compensation based on the daily rate for that employee. This computed amount will be compared to actual total salary payments and an appropriate adjustment made to the final payment. If the employee has been overpaid, the overpayment will be reimbursed to the College by the employee.

40.3 Other Deductions

The District shall, upon receipt of written authorization from an employee, deduct from the employee's salary and make appropriate remittance for all voluntary deductions approved by the State Board and the District Board of Trustees. Termination of deductions shall not occur without a ten (10) day prior notification to the employee.

Article 41  Uninterrupted Instructional Activities

The Employer and the Association agree that disputes which may arise between them shall be settled without resort to strike or lockout. The Employer agrees it will not lock out any or all of its employees during the term of this Contract and the Association agrees on behalf of itself and its membership that there shall be no strike or slowdowns during the term of this Contract.
**Article 42  Duration**

This contract shall remain in full force and effect from March 16, 2016 to and including March 16, 2019. Either party may, upon written notice to the other party, give notice of its intent to negotiate salaries in accordance with Article 38.5, Salary Increase Provisions, during each year of the Contract. Likewise, either party may give notice of its intent to reopen in the event of legislative, contracted, or grant funding reductions.
