### Actions taken by the college to address recommendations

BBCC launched a strategic planning process at the start of 2021 that will conclude at the end of 2021 or early 2022. In conjunction with developing a new strategic plan, the college also adopted a new mission, vision, and guiding principles. In addition, BBCC is refining its process for measuring mission fulfillment in a way that simplifies the process and addresses the concerns raised in the recommendation.

### Improvement results

A new strategic plan will be completed early in 2022. The plan provides the foundation for a refined mission fulfillment framework. BBCC will begin implementing a version of the new framework in 2022.
