| In August 2021, WWCC submitted its Annual Report to NWCCU; and in September 2021, WWCC submitted its Year 6. Policy, Regulation, and Financial Review (PRFR) report to NWCCU. The PRFR review panel at NWCCU commended WWCC for an “exceptionally thorough and well written report” and decided that the College did not need to send a representative to attend a follow up meeting. Instead, the requested a brief written follow up to address the following:**  
1. CV for VPI  
2. Board Governance Policies  
3. Retention of Student Records Policies (or discussion on processes)  
4. Fix 2.G Links  
5. Narrative on Financial and Enrollment Trends & Projections | WWCC submitted the written follow-up to NWCCU on October 15th addressing the 5 specific items. | WWCC is utilizing the PRFR narrative as a gap analysis, and is in the process of creating a timeline to address the identified opportunities. In addition, the framework used in producing the PRFR has led to the development of an Accreditation Steering Committee, chaired by a faculty member. This Committee is already adopting the templates from the PRFR and utilizing the guidelines and rubrics provided by the NWCCU to prepare WWCC’s Year 7 Report. WWCC is also in the process of selecting an Assessment Coordinator (a Faculty with release time) to assist in creating a more robust assessment process. |
