

## Guided Pathway Foundations:

### Integrating Developmental Education and Basic Skills Summit

#### [Seattle Airport Marriott](#)

Washington Ballroom

Friday, 3/8/19

#### Purpose:

- **Engage key stakeholders** in policy and practice discussions regarding integration of BEdA & Developmental Education within the Guided Pathways Framework
- **Facilitate peer college early learnings** related to Integration of Basic Skills & Developmental Ed:
  - Why is this important to consider?
    - Statewide equity gaps/transition rates of basic skills & Developmental Ed. students
  - How have colleges, Community-based organizations, & Corrections moved in this direction?
  - What barriers exist to achieving integration (structural/organizational change, contractual considerations, financial aid, articulation considerations, etc.)?
  - Who benefits from the integration of Developmental Ed. and Basic Skills?
- **Generate resources** with College teams related to Guided Pathways framework.
- **Disseminate and analyze** current practices and results from the system survey.

8:30-9 a.m.

Registration

#### Session I: Setting a context: What are the issues? Why address them now?

Welcome, Agenda and Outcomes Overview, & Equity

*Kristi Wellington Baker, Student Success Center Director*

*Jon Kerr, Director, Basic Education for Adults*

*Bill Moore, Director, K12 Partnerships*

*Carli Schiffner, Deputy Executive Director*

*Devin DuPree, Policy Research Associate*

*William Durden, Policy Associate, Basic Education for Adults*

9-10:30 a.m.

- State Research & Board Priorities: Statewide Equity Gaps, Transition Rates for Dev. Ed. and Basic Skills
- National Landscape & Guided Pathway Basics
- Swirling Visions, Workforce Innovation & Opportunity Act (WIOA) Mandates for Basic Skills & pathway model considerations

- Participant Vision: Participants draft their vision for how they would ultimately like to see Basic Skills and Developmental Education integrated into the Guided Pathways Initiative on 3x5 card

10:30-10:45 a.m.

Break

---

## Session II: Explore the campus status quo

Teamwork - *Kristi Wellington Baker*

10:45-noon

- Integrating DevEd and Basic Skills Summit Survey results & current practices across the system
- Team members share their vision from Session I
- Using the Guided Pathways Principles as a guide, Where is your college or CBO currently in this work and where do you want to go?
- What structures currently exist on your campus? How are DevEd & Basic Skills currently organized/sequenced? How are precollege classes offered? How do students move through currently?
- What barriers exist to achieving integration and/or structural, organizational change?

---

Working lunch – Team Time – *William Durden*

Noon-1 p.m.

- The student voice
- What would you like to see as your institution's ideal student experience?
- How are processes now in place working for students in both Developmental Education and Basic Skills?
- What steps can be taken to improve the experience?

---

## Session III: Considering effective practices – *Bill Moore*

1-2:30 p.m.

- Sharing: Current Innovations in College Programs
- Group Rotations: current innovations from colleges
- College/CBO Teams debrief and plan their next steps

---

Next Steps / Action Plan

2:30-3 p.m.

- Brainstorm How SBCTC Can Help with Next Steps.
- What Would You Like to See Happen System-wide If Anything?

---

*Note – SBCTC isn't validating parking for this event*
